– Descriptions

- 1- Logo Cloud HR is a cloud-based Software as a Service (SaaS) solution accessed through a web browser. It can be accessed anytime and anywhere with an internet connection. No system or installation investment is required, and it is ready for use once the subscription begins. The solution remains continuously up to date, and version upgrades are performed automatically.
- 2- As Logo Cloud HR is a cloud-based Software as a Service (SaaS) solution, a subscription can be created with a monthly or annual fee. To purchase Logo Cloud HR, create a subscription through the logo.cloud website and complete the payment by credit card or bank transfer.
- 3- You can try Logo Cloud HR free of charge for 14 days.
- 4- Logo Cloud HR annual subscriptions offer a 17% price advantage over monthly subscriptions. Annual subscriptions are charged for 10 months and provide 12 months of usage.
- 5- Logo Cloud HR is priced per employee. Packages may be ordered for any number of employees, with no employee limit.
- 6- Customers who subscribe to Logo Cloud HR on a monthly or annual basis will have a monthly or annual subscription. Additional employee increases and modules purchased during the subscription period are calculated based on the unit price and the number of days remaining until subscription renewal and are included in the total package amount.
- 7- The Logo Cloud HR Basic Package includes the Employee Management and Organisation Management modules.
- 8- The Logo Cloud HR Standard Package includes the Employee Management, Organisation Management, Time Management, Compensation Management, and Debit / Credit Management modules.
- 9- Logo Cloud HR supports Turkish and English.

– Add-ons

- 10- For all add-ons other than the Employee Portal, the number of employees purchased must be equal to the number of employees in the main package. The Employee Portal may be purchased for a different number of employees than the selected main package; however, its maximum employee count cannot exceed the number of employees purchased in the main package.
- 11- The Logo Cloud HR Basic and Logo Cloud HR Standard packages include 10 user licences. Additional user licences can be obtained by purchasing the User Increase add-on, which is priced and purchased per user.
