Explanations	

Logo and Koç Sistem Bilgi ve İletişim Hizmetleri A.Ş. ("**Koç Sistem**") (KCSIS) have reached an agreement for the acquisition of Koç Sistem's e-transformation services' software source code and copyrights, and to cooperate in the acquisition of customers by referring existing and new customers to our company in relation to the said software. The transaction will be finalized after receiving the Competition Board's unconditional approval. With the addition of a new e-solution to eLogo's eService platform that is expected to create value to our existing customer portfolio, this transaction is aimed to provide strategic and financial benefits to our Company.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
