

Logo Field sales management solutions suggested price list

Valid from July 6, 2024

General explanations

- All prices and price-related conditions (including license prices, training prices, and training durations, but not limited to these) in this price list are only advisory and are not binding.
- All prices are in Turkish Lira (TL), VAT is not included in the prices.
- Renewal fees will be calculated based on the current list prices during the renewal periods. Logo Software reserves the right to update prices.

– Flexible Payment Plan

- Flexible payment plan is a subscription model that offers different payment plans to customers.
- Customers will be able to continue using the product by paying the initial subscription fee in their first years and renewal fees according to the plan they choose in the following years. Any subsequent user increases, modules, e-solutions, and related functional solutions also require them to pay the first year's subscription fee and subscription renewal.
- The subscription validity period is 1 year. The renewal date starts from the date when the previous license usage period ended.
- They will continue to subscribe to products at advantageous prices by benefiting from the loyalty discount, renewing their renewals on the renewal date or within 30 days following the renewal date, and regular renewing users; if no renewal is made after the 30-day period, the loyalty discount will end.
- If renewal is not made within 90 days following the renewal date, the product usage license will expire. If the customer wants to use the product again after the 90th day, they will need to start a new subscription.

– Training

- The trainings are related to product usage and are given by certified business partners. Requests such as identification, reporting, and adaptation are also evaluated.
- It is strongly recommended to receive training services only from authorized Logo business partners and certified training experts located on the Logo corporate website (www.logo.com.tr).

- The number of users of the Logo Mobile Sales product is independent of the number of users of the ERP product it is connected to. These solutions require a separate purchase of user increase.
- User increase; the number of users when added to the main package/module licenses.
Example: When "user increase +2" is added to the Logo Mobile Sales Pro module, the product can be used by 3 users.
- Logo Mobile Sales solutions work with GO, Tiger and Netsis ERPs but are licensed independently.
