

Logo Edge WMS suggested price list

Valid from September 3, 2026.

General explanations

1. All prices and price-related conditions (including license prices, training prices, and training durations, but not limited to these) in this price list are only advisory and are not binding.
2. All prices are in Turkish Lira (TL) and do not include VAT. Renewal fees will be calculated based on the current list prices during the renewal periods. Logo reserves the right to update prices.

– Flexible Payment Plan

3. Flexible payment plan is a subscription model that offers different payment plans to customers.
4. Customers may continue using the product by paying the initial subscription fee in the first year and the renewal fees applicable to their selected plan in subsequent years. Additional users, modules, e-solutions, and related functional solutions purchased later will also be subject to the first-year subscription fee, followed by subscription renewal fees in subsequent years.
5. If the subscription is not renewed, access to the product will be suspended. The subscription may still be renewed within 30 days following the suspension of access. For renewals completed within this 30-day period, an additional late fee equal to 10% of the subscription renewal fee will apply, and loyalty discounts will remain valid.
6. Upon expiry of the 30-day period, eligibility for loyalty discounts will be lost, and a final 60-day grace period will be granted for subscription renewal. For renewals completed during this grace period, an additional late fee equal to 10% of the subscription renewal fee will apply, and loyalty discounts will no longer apply.
7. If the subscription is not renewed within the 90-day period following the subscription renewal date, including the additional and grace periods, the customer's license will be permanently terminated, and the right to renew the license will be forfeited. If the customer wishes to use the product again, a new purchase must be made at the applicable first-year subscription fees.

– Training

8. The training prices may differ depending on countries, please contact your business partner for the training fees.
9. Product related trainings are provided by certified Logo Business Partners. Demands such as identification, customization and reporting are evaluated separately.
