

SME products recommended price list

Valid from January 5, 2024

General explanations

1. All prices and price-related conditions (including license prices, training prices, and training durations, but not limited to these) in this price list are only advisory and are not binding.

2. All prices are in Turkish Lira (TL), VAT is not included in the prices.

3. Renewal fees will be calculated based on the current list prices during the renewal periods. Logo Software reserves the right to update prices.

– Flexible Payment Plan

4. Flexible payment plan is a subscription model that offers different payment plans to customers.

5. Customers will be able to continue using the product by paying the initial subscription fee in their first years and renewal fees according to the plan they choose in the following years. Any subsequent user increases, modules, e-solutions, and related functional solutions also require them to pay the first year's subscription fee and subscription renewal fees in the following years.

6. The subscription validity period is 1 year. The renewal date starts from the date when the previous license usage period ended.

7. They will continue to subscribe to products at advantageous prices by benefiting from the loyalty discount, renewing their renewals on the renewal date or within 30 days following the renewal date, and regular renewing users; if no renewal is made after the 30-day period, the loyalty discount will end.

8. If renewal is not made within 90 days following the renewal date, the product usage license will expire. If the customer wants to use the product again after the 90th day, they will need to start a new subscription.

9. You can access the transition and restriction details of the flexible payment plan here.

– Training

10. The trainings are related to product usage and are given by certified business partners. Requests such as identification, reporting, and adaptation are also evaluated.

11. It is strongly recommended to receive training services only from authorized Logo business partners and certified training experts located on the Logo corporate website (www.logo.com.tr).

– Explanations

– Logo GO Wings

1. The Logo GO Wings product and all its options can be used by up to 16 users.
2. Logo GO Wings Main Package, Stock (Dispatch, Order, Costing, Dynamic Unitization, Equivalent Goods Tracking), General Ledger, Fixed Asset, Invoice, AR/AP (Payment/Collection, Payment Plan), Demand Management, Check/P.Note, Installment Operations (Partial Collection), Credit Card, Bank, Safe Deposit, Exchange Rate Tracking, Inflation Accounting, Additional Tax (SCT, SCT), Calculator with Foreign Currency, Transaction Currency, Table and Pivot Reports, Task Scheduler, Admin Console modules are included.
3. The Logo GO Wings solution can be used hybridly via desktop and/or web browser.
 - User count control is done through terminal definition with named user logic, on the desktop side, control is provided from a counting field related to how many times a user can open the product, and the user can open the product according to this number.
 - Every time the product is opened and logged in, one user is deducted from the total number of users. In the used solution, different company usage at the same time, it is possible to open the product twice and it counts as 2 users.
 - When using the e-Solutions module with Wings solutions, at least "one" user must be defined as a "desktop user".
4. Logo GO Wings software and hardware requirements are detailed in the "system requirements" document. This document can be obtained from authorized business partners.
5. User increments added to the main packages are packages that increase the number of users when installed alone or on top of each other.
Example: When "user increment +2" is loaded into the Logo GO Wings main package, a total of 3 users are obtained. There is no need to purchase a separate user increment set for options used with the main packages unless specified in the list.
