

Logo Netsis 3 Standard suggested price list

Valid from July 6, 2024.

General descriptions

- 1. All price and price-related conditions in this price list (including but not limited to license prices, training prices and training durations) are advisory only and are non-binding by Logo.
- 2. All prices are in Turkish Lira (TL) and do not include VAT.
- 3. Prices may differ depending on valid Logo Enterprise Membership (LEM) contracts in progress, except for the main package and transition package prices.

LEM (Logo Enterprise Membership)

- 4. Lem is a subscription system which provides customers the latest version of the product with new features and performance improvements, also enables customers special prices for user increase, employee increase and modules when desired to be purchased.
- 5. Comprehensive LEM; Includes 1 year of LEM + Support line service. Within the scope of the support line service; questions, problems or feature requests about the product used; It can be forwarded to Logo Support teams via the telephone support line and Logo Portal, and the status and details of the transmitted subject can be followed through Logo Portal. The comprehensive LEM is offered with Logo Netsis 3 Standard, Logo Netsis Wings, Logo Netsis 3 Enterprise, Logo Netsis Wings Enterprise solutions.
- 6. A 1-year LEM is free for new package purchases. When switching to other products;
 - When switching to other products in the same segment, with or without a fee, the LEM validity for the previous product will be transferred to the new product (with the same start and end dates).
 - When upgrading to upper segments with a fee, 1-year free LEM is assigned to the new product starting from the switch date.
- 7. The LEM is valid for one year. The renewal period will start as of the end date of previous LEM.
- 8. Users who renew their LEM subscription before or within 30 days after the end date and in a regular manner may benefit from the loyalty discount and get LEM with advantageous prices.
- 9. If the LEM subscription is not valid, additional products purchased with “prices applied for a valid LEM” cannot be installed.
- 10. For LEM subscriptions that are not renewed within 30 days following the end date, a Retrospective LEM should be purchased. The price of the Retrospective LEM is 10% more than the price of the Standard LEM.
- 11. The price of LEM is calculated as per the latest configuration in the product (main package, module, user/employee/firm increase). User/employee/firm increases are included in the price calculation of LEM as of the date of purchase. The price of LEM is calculated considering the end date of the LEM subscription for options (modules). For every module purchased at least one year prior, the duration from the month in which the 1-year period expired until the end date of the Standard LEM subscription is checked and the remaining months are
- 12. Service, installation and upload prices of Logo Business Partners are not included in the LEM prices.

– Training

- 13. Training sessions regarding the use of products are organized by certified business partners. Requests for diagnostics, reporting and customization are evaluated separately.
- 14. It is strongly recommended that you only participate in training sessions provided by Logo business partners and certified training specialists listed on the Logo corporate website (www.logo.com.tr).

- Additional language packages are available for German, Arabic, Persian, Russian, Azerbaijani languages. In language pack usage, the database language settings should be opened in accordance with the compatible language and the firm database language should be selected according to the relevant language.
 - For detailed information about domestic language support; **2024 Supported Language Packs.pdf**
- Logo Netsis 3 Standard; works integrated with business analytics, CRM, warehouse management systems, field sales management, B2B, workflow management, human resources, retail, e-solutions, ecosystem solutions, customization tools, data backup solutions and logo APPS categories. Please contact our business partners for detailed information about solutions integrated with Logo Netsis 3 Standard in related categories.

In transition to Logo Mind Navigator Enterprise, the number of users of the current product can benefit from the transition price advantage. In case of more users are requested, user increase purchases should be made over the list prices for additional users.

– e-Solutions

- Logo e-Invoice
 - While e-Invoice File Transfer provides general use of the basic functions of the e-Invoice application, e-Invoices can be sent and received manually via the e-Invoice portal offered by the Revenue Administration.
 - Thanks to the Private Integrator Integration, businesses can use the e-Invoice application by being integrated into the GİB's system through a private integrator.
 - Thanks to the GİB Online integration, companies can use the e-Invoice application in integration with the GİB's system through their own information processing systems.
- Logo e-Ledger
 - The e-Ledger application enables the General Journal and General Ledger documents to be prepared in the digital environment, in accordance with set standards, and sent to the Revenue Administration quickly and easily.
 - In order for the Logo e-Ledger application to work and to be used in a way that meets the requirements of the relevant legislation, it is a technical necessity for the user to always have a current and valid LEM Subscription and to use the most up-to-date version of both the e-Ledger module and the related basic set. If this technical prerequisite is not met by the user and there is no current and valid LEM Subscription, the e-Ledger cannot be created in accordance with the legislation; The e-Ledger application will not be available/accessible. If the relevant prerequisites and technical requirements are not met, the user is responsible for all consequences.
- Logo e-Archive Invoice
 - The e-Archive Invoice application enables e-invoices to be issued for businesses that use or don't use e-Invoices and for final customers, and provides copies of these invoices to be electronically stored and submitted.
- Logo e-Dispatch
 - The e-Dispatch application accelerates shipment processes and trade by creating delivery notes in the digital environment.
 - The e-Dispatch module is free of charge for our customers who have a valid up to date LEM and Logo e-Invoice module, and who use the eLogo Private Integrator Service. The e-Dispatch module will be included in the LEM calculation next year at current product prices in effect at that time. If the prices are not updated at the customer's LEM calculation period; LEM calculation will be recalculated from the following prices which are valid as of July 6, 2024.

Product Name	Product Price (Next LEM Period)
Logo Netsis 3 Standard e-Dispatch (eLogo Private Integrator) (1 firm)	24.400
Logo Netsis 3 Standard e-Dispatch (eLogo Private Integratır) firm increase	3.530

- In order to use the Logo e-Dispatch module, it is necessary to have a minimum version of 9.0.12.

16. Logo e-Producer's Receipt

- e-Producer's Receipt is a module that only works with eLogo Private Integration. This module is free of charge for our customers with up-to-date LEM and using eLogo Private Integrator, and will be included in the LEM calculation next year at current prices in effect at that time. If the prices are not updated at the customer's LEM calculation period; LEM calculation will be recalculated from the following prices which are valid as of July 6, 2024.

Product Name	Product Price (Next LEM Period)
Logo Netsis 3 Standard e-Producer's Receipt	12.400
Logo Netsis 3 Standard e-Producer's Receipt firm increase	2.270

17. Other e-Solutions

- Number of firms- represents the number of legal entities customer has approved by Revenue Administration and have a tax number. Firm increase feature should be purchased for additional firm needs. The number of firms can be increased at any time.
- The licensing model change with "1 firm" content in the e-Invoice and e-Dispatch modules within Netsis product family is valid in the "9.0.26" and later versions.
- It is recommended to have the most up-to-date version of the Netsis product in order to benefit from the legal regulations and obligations regarding e-Solutions.

– eLogo Financial Service Solutions

18. -eLogo Online Account Statement Application

Thanks to the Online Account Statement Application developed by eLogo, businesses using the compatible Logo ERP solutions can instantly monitor their bank, branch and account-based balance information in any currency from a single platform, and they can easily transfer their account activities in the banks integrated into the ERP application and create accounting records automatically. Banks integrated into the application include but not limited to Akbank, Albaraka Türk Bankası, Denizbank, Fibabanka, Garanti Bank, Halk Bank, İş Bank, Kuveyt Türk Bank, Odeabank, Şekerbank, TEB, VakıfBank, Vakıf Katılım Bank, Yapı Kredi Bank, Ziraat Bank, QNB Finansbank etc.

- The system operates on monthly and yearly package fees.
- Package purchases are made through the order portal.
- 30 Credits per month are charged for each integrated POS terminal. The first 5 POS terminal integrations are free, credit share starts as of 6th POS terminal.
- In the EHÖ transfer module, 1 credit is deducted for every 10 transactions. The first 2500 transactions are a gift.
- There is no bank, branch, account, IBAN definition limit for monthly and yearly packages.
- Application works with compatible versions of following ERP products; Netsis Wings Entegre, Netsis Wings, Netsis Wings Enterprise, Netsis 3 Entegre, Netsis 3 Standard, Netsis 3 Enterprise

19. -eLogo e-Collection

A payment system that enables businesses to make collections by credit card or bank card using virtual POS via eLogo e-Collection screens in digital environment. Thanks to its integrated structure with Logo ERP, customers' current debt balance can be tracked, and payments received can be accounted for in Logo ERP with a single click. Payments can be received securely online via links sent to customers via e-mail, SMS and WhatsApp channels. In addition, companies can manage their payment processes with the integration they can provide to their websites and easily account for the payments received in Logo ERPs. With the B2B portal feature, companies can enable their dealers to receive payments through the eLogo e-Collection application. Payments made in all these processes are collected from the company's own virtual POS accounts received from banks, according to the commissions and maturities in its own agreements.

- The system operates on annual package fees. There is no additional charge based on credits. Package purchases are made through the order portal.
- All packages include all 5000 e-mail, 1000 SMS and 1000 Whatsapp links delivery options. Each package is valid only for one firm, firm increase package should be purchased for other/sub firms.
- There is the right to define 1000 dealers in B2B portal package. After the first 1,000 dealers are defined, a dealer increase package must be purchased for each 1,000 dealers.
- Virtual POS should be provided by the firm for the eLogo e-Collection solution. Virtual POS commission rates are determined within the framework of the agreement between the bank or payment institutions and the company that will use the eLogo e-Collection product.
- Application works with compatible versions of following ERP products; Netsis Wings Entegre, Netsis Wings, Netsis Wings Enterprise, Netsis 3 Entegre, Netsis 3 Standard, Netsis 3 Enterprise

Additional Packages	Price
SMS Package (1000 pcs)	2.750
e-Mail Package (5000 pcs)	2.750
WhatsApp Package (1000 pcs)	2.750
Integration Package (e-Commerce /Web Site Integration)	18.000

– LEM

20. The LEM price is calculated by taking 10% of the current license prices of the main package, user increase and options in the hands of the user, while the comprehensive LEM is calculated by taking 15%.
21. Logo Netsis 3 Standard users will be able to have a 1-year Comprehensive LEM for an additional fee equal to 5% of the license fees, in addition to the LEM fees.

– Product transitions

Transition to Logo Netsis 3 Standard from Logo Netsis Standard 2

22. Logo Netsis Standard 2 users must first update the LEM to switch to Logo Netsis 3 Standard. If the expire date of the Retrospective LEM to be received is more than 30 days later than the order date, it is sufficient to make the Retrospective LEM. If the end date of the Retrospective LEM to be taken is more than 30 days ahead of the order date, it is sufficient to make the Retrospective LEM. After LEM update, 40% of the standard LEM price of the current licenses is calculated as transition fee.

Transition to Logo Netsis 3 Standard from sub - segment products

23. It is possible to switch to Logo Netsis 3 Standard from Logo Netsis 3 Entegre. Users who want to switch from solutions other than these products must first switch to 3 series solutions and then switch to Logo Netsis 3 Standard.
24. In transition from Logo Netsis 3 Entegre solution to the Logo Netsis 3 Standard solution, if the 'Foreign Trade (Import/Export Closing)' module is owned and there is a need for e-Export function, it is necessary to purchase the foreign trade module of Logo Netsis 3 Standard.
25. The price difference between the current list prices of the main package, users and modules of the current product and the current list prices of the switched product is taken for

– Training

26. Base training time for Logo Netsis 3 Standard is 35 hours. This period is advisory and may vary depending on the package content.
27. Base training time for Logo Mind Navigator Enterprise is 8 hours. This period is advisory and may vary depending on the package content.
28. e-Solutions training service is offered separately for e-Invoice, e-Dispatch, e-Archive Invoice, e-Ledger, e-Producer's Receipt, eLogo e-Reconciliation, eLogo e-Collection and eLogo e-Ledger solutions. Prices and durations of e-Solutions training services are set according to the ERP product group the e-solution is connected to.
