

Logo Netsis Wings Entegre international suggested price list

Valid from February 19, 2024

General explanations

- All prices and price-related conditions (including license prices, training prices, and training durations, but not limited to these) in this price list are only advisory and are not binding.
- All our prices are in USD.
- Renewal fees will be calculated based on the current list prices during the renewal periods. Logo Software reserves the right to update prices.

– Flexible Payment Plan

- Flexible payment plan is a subscription model that offers different payment plans to customers.
- Customers will be able to continue using the product by paying the initial subscription fee in their first years and renewal fees according to the plan they choose in the following years. Any subsequent user increases, modules, and related functional solutions also require them to pay the first year's subscription fee and subscription renewal fees in the following years.
- The subscription validity period is 1 year. The renewal date starts from the date when the previous license usage period ended.
- They will continue to subscribe to products at advantageous prices by benefiting from the loyalty discount, renewing their renewals on the renewal date or within 30 days following the renewal date, and regular renewing users; if no renewal is made after the 30-day period, the loyalty discount will end.
- If renewal is not made within 90 days following the renewal date, the product usage license will expire. If the customer wants to use the product again after the 90th day, they will need to start a new subscription.
- You can access the transition and restriction details of the flexible payment plan here.

– Training

- The training prices may differ depending on countries, please contact your business partner for the training fees.
- Product related trainings are provided by certified Logo Business Partners. Demands such as identification, customization and reporting are evaluated separately.
- It is highly recommended that training and support services to be obtained only from authorized Logo Business Partners which can be found at Logo web site (www.logo.com.tr/en) and certified training specialists.

– Descriptions

– Netsis Wings Entegre/Netsis Wings Entegre Pro

1. Netsis Wings Entegre product and all its options can be used by up to 11 users.
2. Logo Netsis Wings Entegre solution can be used hybridly via desktop and/or web browser.
 - Desktop usage works according to the concurrent user counting model, that is, when a user logs in to more than one firm on the same computer, it corresponds to a user in terms of licensing.
 - Use via web browser, every newly opened web browser (or tab) opens with a new login screen and is considered as a new user.
 - Central identity management system (SSO), Fixed Asset Management (Fixed Asset Management) offered in Netsis Wings Entegre Pro can only be used as a desktop.
3. User increases added to main packages are packages that increase the number of users when installed individually or on top of each other. Example: When “user increase +2” is installed on Netsis Wings Entegre main package, a total of 3 users are obtained. For the options used with the main packages, if not specified in the list, there is no need to purchase an additional user increase kit.
4. Turkish language is offered as a standard feature with Logo Netsis Wings Entegre. German, English, Arabic, Persian, Russian, Azerbaijani languages are supported as additional language packs.
5. Netsis Wings Entegre software and hardware requirements are detailed in the "System Requirements"

– Options

6. Logo Netsis Wings Entegre; It works Entegre with payroll and human resources management, workflow management, customer relations management, warehouse management systems, retail, field sales management, business analytics and e-Solutions. You can contact our business partners for detailed information about solutions Entegre with Logo Netsis Wings Entegre in the relevant categories.
7. This module neither supports nor designed for mobile POS devices and new generation cash register.
8. For detailed information about domestic language support; **2024_Supported_Language_Packs.pdf**
9. When switching to Logo Mind Navigator, the number of users of the current product can benefit from the transition price advantage. In case more users are requested, user increase purchases should be made over the list prices for additional users. Logo Mind Navigator product works with SQL database in Logo Netsis ERP integrations.

–Integration solutions

10. Netsis Wings Entegre Netopenx training price is determined on a project basis.

– e-SOLUTIONS

11. Logo e-Invoice
 - While providing general use of the basic functions of Connect Invoice, e-Invoice application, e-Invoices can be received and sent manually via the e-Invoice portal offered by the Revenue Administration (RA).
 - Thanks to the Private Integrator Integration, businesses can use the e-Invoice application by being integrated into the GIB's system through a private integrator.
12. Logo e-Ledger
 - The e-Ledger application enables the General Journal and General Ledger documents to be prepared in the digital environment in accordance with set standards and sent to the Revenue Administration easily and quickly.
13. Logo e-Archive Invoice
 - The e-Archive Invoice application enables e-invoices to be issued for businesses that use or don't use e-Invoices and for final customers, and provides copies of these invoices to be electronically stored and submitted.
14. Logo e-Dispatch
 - The e-Dispatch application accelerates shipment processes and trade by creating delivery notes in the digital environment.
 - This module is free in the first year of subscription for our customers that have a current subscription and Logo e-Invoice module, and also use eLogo Private Integrator. The e-Dispatch module will be included in the price calculation in the following subscription renewal periods. If the prices are not updated at the customer's subscription renewal period; monthly and annual prices will be recalculated from the following rates which are valid as of February 1, 2024.
15. Logo Connect Bank
 - Connect Bank combines the accounts of a business and the branches of the banks that it works with, enabling bank transactions to be performed safely, quickly and easily without any duplicate entries.
16. Logo GIB e-Archive Invoice
 - Logo GIB e-Archive Invoice application allows firms issuing an e-Archive invoice of 4400 TL (tax inc.) to taxpayer firms and 5000 TL (tax inc.) to non-taxpayer firms through Logo programs without logging into the Revenue Administration Portal.
 - Only Logo customers who are not e-Invoice taxpayers can benefit from Logo GIB e-Archive Invoice service. e-Invoice taxpayers can benefit from this service for only their sub-firms.
 - Logo GIB e-Archive Invoice delivery charges are as follows;

250 credits	580
1000 credits	1.060

2000 credits	1.615
--------------	-------

17. Logo e-Producer's Receipt and Logo e-Self-Employment Receipt

* e-Producer's Receipt ensures that producer receipts, issued by farmers and/or wholesalers keeping books in return for the products purchased from farmers who do not keep books, are prepared in electronic environment and reported to the Revenue Administration electronically.

• e-Producer's Receipt is a module that only works with eLogo Private Integration. This module is free in the first year of subscription for our customers who have a current subscription and use eLogo Private Integrator, and will be included in the price calculation in the following subscription renewal periods. If the prices are not updated at the customer's subscription renewal period; monthly and annual prices will be recalculated from the following rates which are valid as of February 1, 2024.

18. e-Solutions

• Number of firms- represents the number of legal entities customer has approved by Revenue Administration and have a tax number. Firm increase feature should be purchased for additional firm needs. The number of firms can be increased at any time.

* In order to use Logo e-Government solution applications in accordance with the relevant legislation requirements, the user needs to subscribe to a relevant solution/module and a valid and effective main package license. If the Main Package & module license is not renewed in accordance with the renewal conditions, the license right will end, the product cannot be used and the delivery of the relevant e-Document or e-Ledger cannot be performed. The user is responsible for all consequences if the relevant prerequisites and technical requirements are not met.

– eLogo Financial Service Solutions

19. -eLogo Online Account Statement Application

Thanks to the Online Account Statement Application developed by eLogo, businesses using the compatible Logo ERP solutions can instantly monitor their bank, branch and account-based balance information in any currency from a single platform, and they can easily transfer their account activities in the banks integrated into the ERP application and create accounting records automatically. Banks integrated into the application include but not limited to Akbank, Albaraka Türk Bankası, Denizbank, Fibabanka, Garanti Bank, Halk Bank, İş Bank, Kuveyt Türk Bank, Odeabank, Şekerbank, TEB, VakıfBank, Vakıf Katılım Bank, Yapı Kredi Bank, Ziraat Bank, QNB Finansbank etc.

- The system operates on monthly and yearly package fees.

- Package purchases are made through the order portal.

- 30 Credits per month are charged for each integrated POS terminal. The first 5 POS terminal integrations are free, credit chare starts as of 6th POS terminal.

- In the EHÖ transfer module, 1 credit is deducted for every 3 transactions. The first 1500 transactions are a gift.

- There is no bank, branch, account, IBAN definition limit for monthly and yearly packages.

- Application works with compatible versions of following ERP products; Logo Netsis Wings Entegre, Netsis Wings, Netsis Wings Enterprise, Netsis 3 Entegre, Netsis 3 Standard, Netsis 3 Enterprise

20 -eLogo e-Collection

A payment system that enables businesses to make collections by credit card or bank card using virtual POS via eLogo e-Collection screens in digital environment. Thanks to its integrated structure with Logo ERP, customers' current debt balance can be tracked, and payments received can be accounted for in Logo ERP with a single click. Payments can be received securely online via links sent to customers via e-mail, SMS and WhatsApp channels. In addition, companies can manage their payment processes with the integration they can provide to their websites and easily account for the payments received in Logo ERPs. With the B2B portal feature, companies can enable their dealers to receive payments through the eLogo e-Collection application. Payments made in all these processes are collected from the company's own virtual POS accounts received from banks, according to the commissions and maturities in its own agreements.

- The system operates on annual package fees. There is no additional charge based on credits. Package purchases are made through the order portal.

- All packages include all 5000 e-mail, 1000 SMS and 1000 Whatsapp links delivery options. Each package is valid only for one firm, firm increase package should be purchased for other/sub firms.

- There is the right to define 1000 dealers in B2B portal package. After the first 1,000 dealers are defined, a dealer increase package must be purchased for each 1,000 dealers.

- Virtual POS should be provided by the firm for the eLogo e-Collection solution. Virtual POS commission rates are determined within the framework of the agreement between the bank or payment institutions and the company that will use the eLogo e-Collection product.

- Application works with compatible versions of following ERP products; Logo Netsis Wings Entegre, Netsis Wings, Netsis Wings Enterprise, Netsis 3 Entegre, Netsis 3 Standard, Netsis 3 Enterprise

Additional Packages	Price
SMS Package (1000 pcs)	2.250
e-Mail Package (5000 pcs)	2.250
WhatsApp Package (1000 pcs)	2.250
Integration Package (e-Commerce /Web Site Integration)	15.000
