Valid from February 19, 2024.

General descriptions

- All price and price-related conditions in this price list (including but not limited to license prices, training prices and training durations) are advisory only and are non-binding by Logo.
- All prices are in Turkish Lira (TL) and do not include VAT.
- Prices may differ depending on valid Logo Enterprise Membership (LEM) contracts in progress, except for the main package and transition package prices.

LEM (Logo Enterprise Membership)

- LEM is a subscription system which provides customers the latest version of the product with new features and performance improvements, also enables customers special prices for user increase, employee increase and modules when desired to be purchased.
- A 1-year LEM is free for new package purchases. When switching to other products;
 - When switching to other products in the same segment, with or without a fee, the LEM validity for the previous product will be transferred to the new product (with the same start and end dates).
- The LEM is valid for one year. The renewal period will start as of the end date of previous LEM.
- Users who renew their LEM subscription before or within 30 days after the end date and in a regular manner may benefit from the loyalty discount and get LEM with advantageous prices.
- If the LEM subscription is not valid, additional products purchased with "prices applied for a valid LEM" cannot be installed.
- For LEM subscriptions that are not renewed within 30 days following the end date, a Retrospective LEM should be purchased. The price of the Retrospective LEM is 10% more than the price of the Standard LEM.
- The price of LEM is calculated as per the latest configuration in the product (main package, module, user/employee/firm increase). User/employee/firm increases are included in the price calculation of LEM as of the date of purchase. The price of LEM is calculated considering the end date of the LEM subscription for options (modules). For every module purchased at least one year prior, the duration from the month in which the 1-year period expired until the end date of the Standard LEM subscription is checked and the remaining
- Service, installation and upload prices of Logo Business Partners are not included in the LEM prices.

– Training

- Training sessions regarding the use of products are organized by certified business partners. Requests for diagnostics, reporting and customization are evaluated separately.
- It is strongly recommended that you only participate in training sessions provided by Logo business partners and certified training specialists listed on the Logo corporate website (www.logo.com.tr).

– e-SOLUTIONS

- Logo e-Invoice
 - While providing general use of the basic functions of Connect Invoice, e-Invoice application, e-Invoices can be received and sent manually via the e-Invoice portal offered by the Revenue Administration (RA).
 - The Server License Add-on must be purchased with Connect Invoice. Thanks to the Connect Billing and e-Invoice Server License add-on, companies can use the e-Invoice application by being integrated into the GIB's system through their own data processing systems. Thus, the reception and delivery processes of e-Invoices can be automated.
- Logo e-Ledger
 - The e-Ledger application enables the General Journal and General Ledger documents to be prepared in the digital environment in accordance with set standards and sent to the Revenue Administration easily and quickly.
 - With new versions, accounting updates are made on the commercial system side and these changes and updates may also affect the e-Ledger product. LEM upgrades must be made in order to benefit from the regulations that should be made on the side of the commercial system and that will ensure that the e-Ledger is printed in accordance with the legislation.
- Logo e-Archive Invoice
 - The e-Archive Invoice application enables e-invoices to be issued for businesses that use or don't use e-Invoices and for final customers, and provides copies of these invoices to be electronically stored and submitted.
- Logo e-Dispatch
 - The e-Dispatch application accelerates shipment processes and trade by creating delivery notes in the digital environment.
 - The e-Dispatch module is free of charge for our customers who have a valid up to date LEM and Logo e-Invoice module, and who use the eLogo Private Integrator Service. The e-Dispatch module will be included in the LEM calculation next year at current product prices in effect at that time. If the prices are not updated at the customer's LEM calculation period; LEM calculation will be recalculated from the following prices which are valid as of February 1, 2024.

| Product Name | Product Price (Next LEM Period) |
|--|------------------------------------|
| Logo Tiger 3 e-Dispatch (eLogo Private Integrator) | 20.000 |
| Logo Tiger 3 e-Dispatch firm increase (eLogo Private Integrator) | 2.880 |

- In order to use the e-Dispatch module, it is necessary to have a minimum version of 2.48.000.1 or 2.49.
 - The e-Waybill Server License module must be purchased together with the e-Waybill module. By purchasing the e-Waybill and e-Waybill Server License modules together, companies can use the e-Waybill application integrated with the RA's system through their own information processing systems.
- Logo Connect Bank
 - Connect Bank combines the accounts of a business and the branches of the banks that it works with, enabling bank transactions to be performed safely, quickly and easily without any duplicate entries.
 - Logo e-Producer's Receipt and Logo e-Self-Employment Receipt

- e-Producer's Receipt and e-Self-Employment Receipt are modules that only work with eLogo Private Integration.
