

Logo Hazine Sıhırbaşı suggested price list - one time

Valid from January 5, 2024.

General descriptions

- All price and price-related conditions in this price list (including but not limited to license prices, training prices and training durations) are advisory only and are non-binding.
- All prices are in Turkish Lira (TL), VAT is not included in the prices.
- Prices may differ depending on valid Logo Enterprise Membership (LEM) contracts in progress, except for the main package and transition package prices.

-LEM (Logo Enterprise Membership)

- LEM is a subscription system which provides customers the latest version of the product with new features and performance improvements, also enables customers special prices for user, employee, firm increases and modules when desired to be purchased.
- A 1-year LEM is free for new package purchases. When switching to other products;
 - When switching to other products in the same segment, with or without a fee, the LEM validity for the previous product will be transferred to the new product (with the same start and end dates).
 - When upgrading to upper segments with a fee, 1-year free LEM is assigned to the new product starting from the switch date.
- The LEM is valid for one year. The renewal period will start as of the end date of previous LEM.
- Users who renew their LEM subscription before or within 30 days after the end date and in a regular manner may benefit from the loyalty discount and get LEM with advantageous prices.
- In case the LEM has expired, the installation of additional products purchased with the "price applied for a valid LEM" cannot be performed.
- For LEM subscriptions that are not renewed within 30 days following the end date, a Retrospective LEM should be purchased. The price of the Retrospective LEM is 10% more than the price of the Standard LEM.
- The price of LEM is calculated as per the latest configuration in the product (main package, module, user/employee/firm increase). User/employee/firm increases are included in the price calculation of LEM as of the date of purchase. The price of LEM is calculated considering the end date of the LEM subscription for options (modules). For every module purchased at least one year prior, the duration from the month in which the 1-year period expired until the end date of the Standard LEM subscription is checked and the remaining months are included in the LEM price calculation.
- Service, installation and upload prices of Logo Business Partners are not included in the LEM prices.

- Training

- Training sessions regarding the use of products are organized by certified business partners. Requests for diagnostics, reporting and adaptation are evaluated separately.
- It is strongly recommended that you only participate in training sessions provided by Logo business partners and certified training specialists listed on the Logo corporate website (www.logo.com.tr).
